

Meet Your HCM Partners – Eric & Justin

It's so nice to meet you! My name is Eric Barbalace. Before I get to know your business better, I'd love for you to learn a bit about myself: I am a Baltimore native who attended the University of Maryland and graduated from the Robert H. Smith School of Business in 2016. I since have lived in Washington DC and love living in the nation's capital! In my spare time, I enjoy staying active, traveling both domestically and internationally, and trying new restaurants with friends.

I've been with ADP since 2018 and am very passionate about helping small business owners with their payroll and human capital management needs. I've also voluntarily obtained my Fundamentals of Payroll Certification, which means I am much more knowledgeable about payroll and tax filing than the average payroll representative. I'd love to speak with you today about how I can assist you with some of the below key business areas that are likely a current priority to you:

- Payroll
- Tax filing (quarterly/annual)
- Human resources
- Worker's compensation insurance
- Health insurance benefits
- Timekeeping solutions
- Legal and marketing support
- Employee lifecycle management
- Retirement plans
- Cost stabilization through PEO
